The child (name) _____ was absent from school for one half day or more on _____ dates.

Reason child missed:

As the () parent () guardian () person having control and charge of the above-named child decided that the absence listed on the above-named date was an absence that required explanation and submission for formal approval.

The decision as based on (check all that apply):

_____ I have limited my definition of "education" to that commonly perpetrated by educationalists, i.e., to include only overt, measurable, academic activities.

_____ My school schedule of academic activities is "official" and written in my plan book in ink and not subject to change.

_____ I believe the commonly-accepted premise that parents are not capable and cannot be expected to, or trusted to, be responsible for making the education decisions for their children without monitoring from an outside source.

_____ There has to be a catch to this Alabama Learning Academy "parents are responsible" thing somewhere and this looks like a good place for it.

_____ This form was blank and needed to be filled in.

By signing this form, I agree/understand that Alabama Learning Academy's school year is 365 days and on form is required for each absence of a half-day or more during the school year.
